Socialist spirituality, also known as communist spirituality, left-wing spirituality (socialist) thoughts with spirituality, using spirituality as a form for help the working class on the class struggle and as a form of inspire the working class to fight capitalism and oppression. Left spirituality is an opposition to new age spirituality, that is considered as a form of spirituality that is about sustain the dominant class and used as a form to increase capitalism and promote things as speciesism and fallenangelism. Left spirituality supports bioequalism, unionequalism and (bio)equalarchy as basis of society. Also supporting extrascience as a way to difference natural sciences to non-natural sciences and the supporting on extraphysicism and divinialism for the evolution of humanity. Socialist spirituality supports secularism and humanism to deal with spiritual issues and also supports that metaphysics (extraphysics) is like the material world, but in a superior level of existence (geoequalism).
